REGISTRATION AND REFRESHMENTS: 12:55 | PRESENTATION: 13:10 – 14:40
VENUE: THE INTERNATIONAL CONVENTION CENTER OF BARCELONA | ROOM: 113/114

www.medscape.org/symposium/pancreatic-registration

FACULTY

John P. Neoptolemos, MA, MB, BChir, MD, FRCS, FMedSci
Professor of Surgery
Department of General Surgery
University of Heidelberg
Heidelberg, Germany

Sylvie Lorenzen, MD, PhD
Associate Professor
Department of Hematology and Oncology
Rechts der Isar Hospital
Technical University
Munich, Germany

Teresa Macarulla Mercadé, MD, PhD
Principal Investigator
VHIO Gastrointestinal and Endocrine Tumors Group
Barcelona, Spain

Gerald Prager, MD
Associate Professor
Comprehensive Cancer Center Vienna
Medical University of Vienna
Vienna, Austria

Supported by an independent educational grant from SERVIER Global.
TARGET AUDIENCE
This activity is intended for oncologists, gastroenterologists, and surgeons practicing outside of the United States.

LEARNING OBJECTIVES
Upon completion of this activity, participants will:

Have increased knowledge regarding the

- Most current data and guidelines that underpin the selection and use of available therapeutic approaches across the continuum of care
- Best practice in terms of rapid application of treatment in a patient presenting with advanced/metastatic pancreatic cancer

Demonstrate greater confidence in their ability to

- Select and rapidly implement an appropriate, best practice, individualized treatment plan across the continuum of care for patients with advanced/metastatic pancreatic cancer to ensure all patients receive the best treatment/management
- Implement an optimal multidisciplinary approach for the management of the patient with advanced pancreatic cancer

ACCREDITATION STATEMENT
The Faculty of Pharmaceutical Medicine of the Royal Colleges of Physicians of the United Kingdom (FPM) has reviewed and approved the content of this educational activity and allocated it 1.5 continuing professional development credits (CPD).

DISCLAIMER
Satellite symposium held in conjunction with the ESMO 21st World Congress on Gastrointestinal Cancer.

This symposium is not an official part of the World Congress scientific program, nor is it organized or endorsed by Imedex.
